Information type
Determination
Format
PDF

Description

The application arises from a dispute about whether the proposed construction of a tennis court, including drainage work and fencing, complies with the provisions of the Building Code for the protection of the neighbours' property. The matters to be determined are: (a) Whether the building work concerned complies with clauses B1.3.1 and E1.3.1 of the Building Code and (b) Whether the territorial authority's decision, under section 49 of the Act to grant a building consent for the work should be confirmed, reversed or modified.
