1994/006: Access for people with disabilities in the alteration of a building for use by a bank

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#)

Abbreviation

1994/006

Valid from

15/12/1994

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The matter for determination is whether, in the proposed alteration of a building for use by a bank, provisions should be made so that the upper floor may be used by people with disabilities that prevent them from using stairs. In effect whether, after the proposed alterations, the building, without a lift, will comply with clause D1.3.4 of the building code as nearly as is reasonably practicable to the same extent as if it were a new building.

For assistance with locating previous versions, please contact the information provider.
