Description

The matters before the Authority are the validity of the following conditions attached to a building consent for the construction of two detached houses and associated carports:

- (a) A specified minimum floor level;
- (b) A specified outfall for the drainage system;
- (c) Certain landscaping requirements; and
- (d) An entry under section 36 of the Building Act to be made on the title.

(The word 'conditions' used in the building consent is also used in this determination, although some of the so-called conditions are more properly described as amendments to the plans and specifications submitted with the application.)
