1999/009: Fire safety precautions in a house for people with disabilities

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#) {{ linkText }}

Abbreviation

1999/009

Valid from

23/08/1999

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The matter before the Authority is the refusal of a territorial authority to issue a building consent for proposed alterations to a house intended as a residence for people with intellectual disabilities.

The point at issue is the fire safety precautions, specifically the fire alarm system, contributing to the means of escape from fire.

The parties agreed that they wished the Authority to determine whether the proposed fire safety precautions complied completely with the building code.

For assistance with locating previous versions, please contact the information provider.
