1999/012: The requirement for a safety barrier on a retaining wall

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#) {{ linkText }}

Abbreviation

1999/012

Valid from

12/10/1999

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The matter before the Authority is a dispute as to whether a safety barrier is required on a certain retaining wall.

The application for determination was made by a neighbour who claims that a safety barrier is required because the construction of the wall has made it possible to fall more than 1 m from the applicant's own property and also from a right-of-way giving access to that property.

For assistance with locating previous versions, please contact the information provider.
