### Description

The matters before the Authority arise out of a dispute about the issuing by a territorial authority of a code compliance certificate in respect of a new house. The dispute centres on whether or not the concrete masonry ('brick') veneer cladding complied with the building code (the First Schedule to the Building Regulations 1992) in respect of clauses B1 Structure, B2 Durability, and E2 External moisture.

For assistance with locating previous versions, please contact the information provider.
