2004/047: Refusal of a code compliance certificate for a building with a 'monolithic' cladding system: House 33

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#) {{ linkText }}

Abbreviation

2004/047

Valid from

13/09/2004

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The application arose from the refusal by the territorial authority to issue a code compliance certificate for a new house unless changes were made to its monolithic cladding system.

The Authority's task in this determination was to consider whether it is satisfied on reasonable grounds that the external wall cladding as installed ("the cladding"), and which was applied to some wall areas of this house, complied with the building code.
