**Description**

The purpose of this Act is to reform the law relating to the registration of registered architects and to protect the title of registered architect; and, to those ends, this Act—

- (a) establishes a registration system for registered architects, under which persons who wish to be registered architects must meet minimum standards to be, and continue to be, registered:
- (b) requires a code of ethics and a complaints and disciplinary process to apply to registered architects:
- (c) establishes a statutory body to carry out the functions relating to the registration system, the code of ethics, and the complaints and disciplinary process:

- (d) repeals the Architects Act 1963.

#### Scope

This Act is referenced as a means of establishing competency to use verification method B1/VM1
