Description

This is a determination under Part 3 Subpart 1 of the Building Act 2004 made on behalf of the Chief Executive of the Department of Building and Housing.

The applicant is the Rodney District Council, and the other parties are the joint owners.

The application arises from the issuing by City Certifiers Ltd, of a code compliance certificate in respect of building work including a new swimming pool. The question to be determined is whether the code compliance certificate should have been issued, and specifically whether the safety barriers to the swimming pool comply with the requirements of clause F4 of the building code (the First Schedule to the Building Regulations 1992).
