Description

This is a determination of a dispute under Part 3 Subpart 1 of the Building Act 2004 made on behalf of the Chief Executive of the Department of Building and Housing.

The applicants are the owners, and the other party is the Waitakere City Council.

The application arises because no code compliance certificate was issued by the territorial authority for this 2-year-old house.

The question to be determined is whether the monolithic wall cladding as installed to the external walls of the building, complies with the Building Code.
