2005/21: Refusal of a code compliance certificate for a building with a 'monolithic' cladding system: House 19

[View on Information Provider website](#) [Download this resource \(PDF, 238KB\)](#)

{{ linkText }}

Abbreviation

2005/21

Valid from

21/01/2005

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The application arose from the refusal by the territorial authority to issue a code compliance certificate for a 7-year old house and attached garage unless changes were made to their monolithic cladding systems.

This determination considered whether reasonable grounds that the external monolithic wall cladding as installed, to the walls of the house and garage complied with the building code had been established.
