2005/73: Refusal of a code compliance certificate for a building with a 'monolithic' cladding system: House 63

[View on Information Provider website](#) [Download this resource \(PDF, 250KB\)](#)

{{ linkText }}

Abbreviation

2005/73

Valid from

19/05/2005

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The application arose from the refusal by the territorial authority to issue a code compliance certificate for a 10-year old house unless changes were made to its monolithic cladding system.

The question determined was whether on reasonable grounds the monolithic wall cladding as installed to the timber-framed external walls of the house, complied with the Building Code.
