2006/009: Refusal of a code compliance certificate for one of two monolithic-clad units

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#)

Abbreviation

2006/009

Valid from

14/02/2006

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The application arose from the territorial authority's issuing of a notice to fix for a 3-year-old semi-detached Unit requiring changes to be made to its monolithic cladding system.

This occurred even though the territorial authority had already issued an interim code compliance certificate in respect of the Unit.

The question to be determined was whether on reasonable grounds the monolithic wall cladding as installed to the timber-framed external walls of the Unit complied with the Building Code.
