2006/015: Refusal of a code compliance certificate for a building with cladding systems of profiled metal, fibre cement weatherboards, and fibre cement sheet

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#)

Abbreviation

2006/015

Valid from

07/03/2006

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The application arose because no code compliance certificate was issued by the territorial authority for a 1-year-old house.

The questions to be determined were whether the wall cladding as installed to the external walls of the building complied with the Building Code.
