Description

The matter for determination is the territorial authority's decision to refuse to issue a code compliance certificate for a 10-year old building extension because it was not satisfied that it complied with clauses B2 'Durability' and E2 'External Moisture' of the Building Code.

The matters to be determined are whether the cladding as installed to the walls of the building complies with clauses B2 and E2. Also the elements that the territorial authority has listed in its notice to fix comply with clause B2, taking into account the age of the building.
