Abbreviation

2007/111

Valid from

17/09/2007

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The application arose from a dispute about fire safety provisions for two relocated buildings to be altered in stages before being used as accommodation for hotel staff.

The matters for determination were:

- Whether the buildings would comply as nearly as is reasonably practicable with the provisions of the Building Code that relate to means of escape from fire as required by section 112 of the Act and
- The territorial authority's decision to refuse to grant the stage 2 building consent.
