Description

This determination arises from the decision of the territorial authority to refuse to issue a code compliance certificate for 6-year-old alterations and additions to a house because it is not satisfied that the building work complies with clauses B2 and E2 of the Building Code.

The matter for determination is whether the claddings as installed, complies with clause E2 'External Moisture' of the Building Code. Also the elements that make up the building work comply with clause B2 'Durability' of the Building Code, taking into account the age of the building work.
