Information type

Determination

Format

PDF

---

### Description

The dispute arises from the territorial authority's decision to issue a notice to fix to the building contractor about the installation of a number of 10 litre hot water heaters that the notice said did not comply with the Building Code. The matter for determination is whether the hot water heater has the safety features required by Building Code Clause G12 Water Supplies. The installation of the water heater is not the subject of this determination.
