Description

This determination arises from the decision of the authority to issue a notice to fix for a 6-year-old house because it was not satisfied that it complied with Clause B2 Durability and Clause E2 External Moisture of the Building Code. The notice to fix is restricted to the cladding, and therefore the matter for determination is whether the claddings as installed on the house comply with Clauses B2 and E2 (see sections 177 and 188 of the Act).
