### Description

This determination arises from the decision of the authority to refuse to issue a code compliance certificate for a 5-year-old house because it was not satisfied that it complied with certain clauses of the Building Code.

The matters for determination are:

1. Whether the cladding as installed on the house ('the cladding') complies with Clause B2 Durability and Clause E2 External Moisture of the Building Code;
2. Whether the building elements comply with Clause B2 Durability of the Building Code, taking into account the age of the building work.
