Information type

Determination

Format

PDF

Description

The determination arises from the decisions of the authority to refuse to issue a code compliance certificate and to issue a notice to rectify for an addition to an existing single level dwelling because it was not satisfied that the building work was completed in accordance with the Building Code.

In order to determine whether the decision of the authority to refuse to issue a code compliance certificate and to issue a notice to rectify was correct, it must be considered whether the building work within the addition complies with the Building Code.
