2009/108: Code compliance of plywood sheet and plywood weatherboard claddings on a house

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#) {{ linkText }}

Abbreviation

2009/108

Valid from

08/12/2009

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The matter for determination was whether the cladding as installed on the house complied with Clauses B2 Durability and E2 External Moisture of the Building Code taking into account the age of the building work.

The matter arose because there was concern on the part of the authority that 7mm 3 ply cladding would not be durable.
