2010/059: Disposal of surface water collected behind a retaining wall

[View on Information Provider website](#) [Download this resource \(PDF, 0KB\)](#)

Abbreviation

2010/059

Valid from

12/07/2010

Information provider

Ministry of Business, Innovation and Employment

Author

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination arose out of complaints by the neighbours to the effect that water was coming on to their property through and beneath the wall.

The matters for determination were whether the wall as altered protected the neighbours' property from the adverse effects of surface water to the extent required by clause E1.3.1.
