Information type

Determination

Format

PDF

---

Description

The application for this determination was because the applicants were not satisfied that the proposed repairs would result in their unit (Unit 147) complying with Clauses B2 Durability and E2 External Moisture of the Building Code.

The matter determined was whether the repairs proposed for Unit 147 would result in the claddings complying with Clauses E2 External Moisture and B2 Durability (insofar as it applies to Clause E2).
