Description

The determination arises from the authority's refusal to issue a code compliance certificate for the building work due to its assessment that the bridge barriers do not comply with Clause F4 of the Building Code. The matters to be determined are: whether the barriers to the bridge comply with Clause F4 Safety from falling of the Building Code; and whether the authority was correct to refuse to issue a code compliance certificate for the building work. In this determination I refer to the Act and the Building Code, the relevant parts of which are set out in Appendix A.
