2012/026: The refusal to grant a building consent for the retrofitting of foam insulation to a house

[View on Information Provider website](#) [Download this resource \(PDF, 138KB\)](#)

{{ linkText }}

Abbreviation

2012/026

Valid from

10/04/2012

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

The matters determined were:

1. whether there was sufficient evidence for the authority to conclude on reasonable grounds that the building work and the existing building (as altered) would comply with the Building Code to the extent required by the Act;
2. whether the authority correctly exercised its power in refusing to grant the building consent. Another determination considered the proposed installation of the insulation in a different house.
