Description

This determination arises from the authority's decision to issue a building consent for the installation of separate surface water and sanitary drainage for 39 Towai Street, which includes the termination at the boundary between the two properties of the existing surface water drain shared by 39 and 39A Towai Street. The matter to be determined is whether the authority was correct to issue a building consent for the separate Lot 1 surface water building work. In making this decision it must be considered whether the building work complies with Clause E1 Surface Water of the Building Code.
