Description

This determination arises from the authority's decision to refuse to issue an exemption from the requirement to obtain a building consent for the erection of a farm implement shed. The authority considers it has insufficient information to be satisfied that the proposed building work meets the criteria specified in paragraph 1(k) of Schedule 1 of the Act. The matter to be determined is therefore whether the authority correctly exercised its powers in refusing to issue an exemption under Paragraph 1(k) of Schedule 1.
