{{ linkText }}

Abbreviation

2015/008

Valid from

02/03/2015

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination arises from the decision of the authority to refuse to issue a code compliance certificate for the additions and alterations because it was not satisfied that the building work complied with certain clauses of the Building Code.

The authority's concerns primarily relate to the weathertightness of the wall cladding. The matter to be determined is therefore whether the authority correctly exercised its powers when it refused to issue a code compliance certificate for the house.
