2015/042: Regarding whether a compliance schedule is required for a substation containing smoke detectors

[View on Information Provider website](#) [Download this resource \(PDF, 131KB\)](#)

{{ linkText }}

Abbreviation

2015/042

Valid from

06/07/2015

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination arises from the decision of the authority to require a compliance schedule as the applicant proposes to install smoke detectors in a substation to notify an offsite network control room in the event of a system irregularity or failure.

The matter to be determined is therefore whether the authority was correct in requiring a compliance schedule for the proposed substation containing smoke detectors.
