## 2016/025: Regarding the durability of New Zealand grown European Oak timber for use in a new dwelling

[View on Information Provider website](#) [Download this resource \(PDF, 127KB\)](#)

### Abbreviation

2016/025

### Valid from

07/07/2016

---

### Information provider

Ministry of Business, Innovation and Employment

### Information type

Determination

### Format

PDF

---

### Description

This determination arises because the authority considered it did not have reasonable grounds to be satisfied that the proposal complies with certain clauses of the Building Code (First Schedule, Building Regulations 1992).

The matter to be determined is therefore whether there is sufficient information available to establish on reasonable grounds that New Zealand grown European oak timber used as specified would comply with Clause B2 Durability.

For assistance with locating previous versions, please contact the information provider.
