2017/025: Access and facilities for people with disabilities to a hypothetical public dive pool

[View on Information Provider website](#) [Download this resource \(PDF, 110KB\)](#)

Abbreviation

2017/025

Valid from

24/04/2017

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination considered whether an accessible route was required for a deep water pool that is part of a public swimming pool facilities.

The determination discussed the requirement for an accessible route, both in terms of the deep water pool only and also in terms of it being one of a number of pools within the facility, and the normal activities carried out in those pools.
