Information type

Determination

Format

PDF

---

**Description**

This determination considered whether automatic pool covers that comply with the ASTM Standard F1346-91 complied with Clause F9 (Restricting access to residential pools) of the Building Code and section 162C of the Building Act.

The determination also discussed waivers and modifications, and exemptions that had been granted under the Fencing of Swimming Pools Act 1987 to allow the use of pool covers.
