2018/061: Installation of a replacement wood burner and wetback where a new tempering valve was also installed

[View on Information Provider website](#) [Download this resource \(PDF, 120KB\)](#)

Abbreviation

2018/061

Valid from

07/12/2018

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination considers the installation of a tempering valve to an existing hot water system in a house that was being altered: the alteration involved the replacement of both a wood burner and wetback water heater.

A tempering valve was installed as part of the alteration and the determination considers the compliance of the existing hot water system to the extent required by section 112 of the Act.
