2018/063: Building Code compliance of the proposed location for large toilet paper dispensers in accessible public toilets

[View on Information Provider website](#) [Download this resource \(PDF, 349KB\)](#)

Abbreviation

2018/063

Valid from

14/12/2018

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination considers the code compliance of large toilet paper dispensers installed in prefabricated public toilets - the location of the dispensers differs from that shown in the relevant Acceptable Solution.

The prefabricated toilets are built under a consent issued at the point of manufacture and relocated throughout the country using a separate building consent for the site installation.

For assistance with locating previous versions, please contact the information provider.
