Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination considers the lifting of an insanitary building notice and whether the building in its current state is insanitary or dangerous.

The determination also considers whether two building consents should have been granted subject to notification of the natural hazard inundation, and whether a notice to rectify should have been for building work that was not compliant with the Building Code and for building work carried out without building consent.

For assistance with locating previous versions, please contact the information provider.
