2019/011: Regarding the substitution of solid timber framing with glue-laminated timber to the wall framing and trusses to a house

[View on Information Provider website](#) [Download this resource \(PDF, 640KB\)](#)

Abbreviation

2019/011

Valid from

12/04/2019

Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

Description

This determination considers the use of glue-laminated timber as framing to the walls and roof trusses of a house.

The glue-laminated framing was substituted during construction for solid timber described in the approved building consent without approval being sought. The determination considers the compliance of the glue-laminated framing and whether the substitution could be considered a minor variation to the approved consent.
