Information provider

Ministry of Business, Innovation and Employment

Information type

Determination

Format

PDF

---

Description

This determination considers the compliance of a domestic garage and driveway with Building Code Clause D1 Access routes, including whether their dimensions are appropriate for the intended use.

It also considers whether the building consent authority was correct to grant the building consent and code compliance certificate, and whether a proposal to widen the garage doorway (from 2.31 m to 2.8 m) would result in compliance.

For assistance with locating previous versions, please contact the information provider.
