## AS/NZS 4201.3:1994 Pliable building membranes and underlays - Methods of test - Method 3: Shrinkage

[View on Information Provider website](#)

### Abbreviation

AS/NZS 4201.3:1994

### Valid from

13/06/1994

---

### Information provider

Standards New Zealand

### Author

Standards New Zealand, Standards Australia

### Information type

New Zealand Standard

### Format

PDF

---

### Cited By

[This resource is cited by 3 documents \(show Citations\)](#)

---

### Description

This test determines the extent to which pliable building membrane material shrinks in the machine direction following repeated wetting and drying.
