## AS 1012.11-1985 Methods of testing concrete - Method 11: Method for the determination of the flexural strength of concrete specimens

[View on Information Provider website](#)

### Abbreviation

AS 1012.11-1985

### Valid from

04/11/1985

---

### Information provider

SAI Global

### Author

Standards Australia

### Information type

Australian Standard

### Format

PDF, Hard copy

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This standard sets out a method for determining the flexural strength (modulus of rupture) of concrete test specimens prepared in accordance with AS 1012, Method 8, tested as simple beams with third-point loading.

### Scope

For assistance with locating previous versions, please contact the information provider.
