## AS 1012.15-1979 Methods of testing concrete - Method 15: Method for the estimation of portland cement content of hardened concrete

[View on Information Provider website](#)

### Abbreviation

AS 1012.15-1979

### Valid from

01/11/1979

---

### Information provider

SAI Global

### Author

Standards Australia

### Information type

Australian Standard

### Format

PDF, Hard copy

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This Standard sets out the method for the determination of the hypothetical maximum portland cement content of hardened concrete.

**Note** - due to the age of this archived document, available information is limited therefore this record is incomplete.

This publication is a copy of the physical archived hardcopy. Some pages may be stamped or contain handwriting. SAI Global has endeavoured to reproduce this document to the best possible standard of quality. Please utilise the preview feature to sample the quality before purchasing.
