## AS 1418.16-1997 Cranes (including hoists and winches) - Part 16: Mast climbing work platforms

[View on Information Provider website](#)

### Abbreviation

AS 1418.16-1997

### Valid from

05/12/1997

---

### Information provider

SAI Global

### Author

Standards Australia

### Information type

Australian Standard

### Format

PDF, Hard copy

---

### Cited By

[This resource is cited by 2 documents \(show Citations\)](#)

### Description

This Standard specifies the design requirements for mast climbing work platforms as defined in AS 2549-1996.

It **does not apply** to mobile elevating work platforms, builders hoists or suspended access equipment.

Sections are included on loads and stability, design, mechanism, electrical systems, controls, data marking, manuals and the type tests and production tests required. Appendices give guidance on typical hazards and the special requirements relative to multi-level work platforms.

### Scope

This Standard specifies the design requirements for mast climbing work platforms (MCWP) as defined in Clause 1.4. This Standard does not include mobile elevating work platforms, builders' hoists or suspended access equipments.

**Note:** Guidance on the safe use of MCWPs is given in AS 2550.1 and AS 2550.16.

For assistance with locating previous versions, please contact the information provider.
