AS 1548-2008 (R2018) Fine grained, weldable steel plates for pressure equipment

[View on Information Provider website](#)

Abbreviation

AS 1548-2008

Valid from

05/05/2008

Information provider

SAI Global

Author

Standards Australia

Information type

Australian Standard

Format

PDF, Hard copy

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard specifies requirements for hot-rolled, fine grained, fully killed carbon manganese steel plates to a maximum thickness of 150 mm for use in the construction of pressure equipment.

Scope

Guidelines to purchasers on requirements that should be specified by the purchaser and those that should be agreed to at the time of enquiry or order, or both, are given in Appendix A.
