Abbreviation
AS 1566-1985
Valid from
31/01/1985

Information provider
SAI Global
Author
Standards Australia
Information type
Australian Standard
Format
PDF, Hard copy

Cited By
[This resource is cited by 3 documents \(show Citations\)](#)

Description

This Standard specifies requirements for copper and copper alloy plate, rolled bar, sheet, strip and foil for general engineering purposes and electrical purposes. Chemical composition, mechanical properties and manufacturing tolerances are specified, and appendices give purchasing guidelines and information on related composition specifications.

For assistance with locating previous versions, please contact the information provider.
