AS 1572-1985 Copper and copper alloys - Seamless tubes for engineering purposes

[View on Information Provider website](#)

Abbreviation
AS 1572:1985
Valid from
01/01/1985

Information provider
SAI Global
Author
Standards Australia
Information type
Australian Standard
Format
PDF, Hard copy

Cited By
[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard specifies requirements for round, square and rectangular seamless copper and copper alloy tubes for general engineering purposes, including tubes for electrical applications and oil and petrol lines. Chemical composition, mechanical properties and manufacturing tolerances are specified.
