### Description

This Standard specifies material supplied as both coil and cut lengths, in four temper-rolled grades based on formability. Three surface finishes are specified, and provision is made for four levels of surface quality.

For assistance with locating previous versions, please contact the information provider.

### Notes/comments

### Referenced in:

- AS/NZS 1730: 1996 in regard to washbasins,
- AS/NZS 2023:1995 in regard to baths and
- AS/NZS 4859.1:2002 in regard to thermal insulation
