Standards Australia

Information type

Australian Standard

Format

PDF, Hard copy

Cited By

This resource is cited by 5 documents (show Citations)

Description

This Standard sets out requirements for the design, construction, and installation of fixed platforms, walkways, stairways, and ladders which are intended to provide means of safe access to and safe working at places normally used by operating, inspection, maintenance, and servicing personnel.

Scope

The Standard does not apply to situations where special provision is made in appropriate building or other regulations, e.g. means of escape from fire.

Requirements for portable ladders are not included in this Standard.
