## AS 1680.3-1991 Interior lighting - Part 3: Measurement, calculation and presentation of photometric data

[View on Information Provider website](#)

### Abbreviation

AS 1680.3-1991

### Valid from

09/08/1991

---

### Information provider

SAI Global

### Author

Standards Australia

### Information type

Australian Standard

### Format

PDF, Hard copy

---

### Cited By

[This resource is cited by 3 documents \(show Citations\)](#)

### Description

This Standard specifies requirements for laboratory conditions, procedures and instrumentation for making photometric measurements on general-purpose luminaires for interior lighting.

It also specifies requirements for the derivation of certain photometric data needed for interior lighting calculations. Sets out the type and form of data which should be included in a photometric test report.
