AS 2612-1997 Aluminium and aluminium alloys - Sampling for chemical and spectrochemical analysis

[View on Information Provider website](#) [{{ linkText }}](#)

Abbreviation

AS 2612-1997 (R2016)

Valid from

05/09/1997

Information provider

SAI Global

Author

Standards Australia

Information type

Australian Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard sets out methods for obtaining a representative sample of aluminium and aluminium alloys and procedures for the preparation of laboratory samples required for the determination of their chemical composition by both chemical and spectrochemical analysis. The procedures are suitable for use in manufacturing control, material and product acceptance, and research and development.
