AS 3678-1990 Structural steel - Hot-rolled plates, floorplates and slabs

[View on Information Provider website](#)

Abbreviation
AS 3678-1990
Valid from
01/01/1990

Information provider
SAI Global
Author
Standards Australia
Information type
Australian Standard
Format
PDF

Cited By
[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard specifies requirements for the production and supply of hot-rolled structural steel plates, floorplates and slabs rolled on a reversing mill for carbon and carbon-manganese mechanically tested steels, fully killed analysis only steels and low alloy (weathering) mechanically tested.
